- 4- Contact Email and Phone Number
- 5- Any special Instructions

If you are looking for **event security in Edinburgh** to help you secure your upcoming event then you have to chose a specialist that best fits in the profile of your event. there are many event security companies in Edinburgh but you will hardly find few who are specialist in the kind of event you are going to hold. Event security is a specialist task that requires risk assessment, planning, execution and contingency plan in case anything goes wrong.

Make sure your event security provider is well aware of the locality and the kind of threat in that area and have ample experience in dealing with threats such as vandalism, theft, loss prevention, evacuation procedures and crowd management.

Armstrong Security has a wealth of experience dealing with a variety of events ranging from securing big events such as Marathon and cycling events during Olympics but we also cover small events such as birthday parties, corporate gatherings, carnivals and movie production set
