We are one of the most flexible and reliable event Security steward Companies in London and We can supply short notice event security stewards in London at just 12.50 per hour making us the most competitive event security company in London

STEWARDS COMPANIES IN LONDON

Whether you need an event security steward in London for one day or night, a weekend or for a long period, you still pay the flat rate of 12.50 pounds an hour for event security stewards. We are a 24 hour a day, 7 day a week stewarding services provider, providing standard and emergency event security cover throughout the city and surrounding Home Counties.

We supply only the most highly experienced, fully trained event security stewards in London who meet British Standards BS7499 & BS7858.

Our Event Security Services in UK are second to none at the moment, perhaps we are among the top rated affordable and cheapest security companies in UK

Armstrong Security offers state of the art Site Security in London. We provide a mix of Manned and Electronic solutions to deliver cost effective building site security.

Our 24 hour Operation Managers help ensure the safety of all our on duty staff, while helping us provide all our customers with an efficient and effective service. Health and Safety at work is a key priority for our service and even more so in the construction industry, therefore we are extremely committed to ensuring the safety and protection of our customers.

Our services can be booked at short notice and you can contact us in an emergency, 24 hours per day, 7 days per week and even over the Christmas holidays.

HIRE EVENT SAFETY STEWARDS LONDON

We are specialist in Event Security in UK and you can count on us for your business Security. All our event security guards are SIA licensed, CRB checked and scrupulously vetted before being taken on. Each event security guard has ample experience and is therefore able to handle a variety of situations. We offer highly competitive rates with no minimum charge or long term contract. Our guards can be uniformed and kitted out with protective clothing such as high visibility jackets and hard hats.

Each Site security guard carries a clocking on machine which records their patrol around key points of the construction site to prove the site is being fully monitored.
